

Anita Braga

Apartment 36, The Space, Clarendon Avenue, CV32 5PP, Leamington Spa, UK | Via Girolamo Dandini
2, 00154 Rome, Italy | +39 334 1049532 | bragaanita75@gmail.com

Education

University of Warwick | 2024–Ongoing

MRes/PhD in Business and Management (Behavioural Science Group)

Dissertation: “The Convention Gap: Comparing Human and AI Coordination in Unfamiliar Social Contexts”

Modules: Advances in Behavioural Science, Big Data Research Methods, Machine Learning and Data Analytics.

London School of Economics and Political Science | 2020–2021

MSc in Behavioural Science (First Class Honours)

Rob Farr Award for Best Dissertation: ‘An Analysis into Happiness Crossover and Spillovers: The Long-Term Health Consequences of Contagious Happiness.’

Modules: Quantitative Applications, Experimental Design, Foundations of Behavioural Science.

Durham University | 2017–2020

BA in PPE (Politics, Philosophy, Economics, Upper Second Class Honours)

Dissertation: ‘Is Tax Morale a Driving Motive of SMEs’ Tax Compliance?’

Visiting Positions

Harvard University | Laboratory for Social and Cognitive Science | Jun 2025 – Aug 2025

Visiting Researcher

- Researched how people form abstract rules for coordination in novel social contexts.
 - Explored moral aspects of coordination, including group moralization and enforcement of norms.
 - Ran online experiments with dyads and groups coordinating in real-time using oTree.
-

Research Experience

European Commission's Competence Centre for Behavioural Insights (CCBI) | Oct 2022-Jul 2023

Blue Book Trainee & Research Assistant

- Designed and contributed to experiments testing whether AI-provided information influenced biased lending and hiring decisions by financial advisors and HR managers.
- Reviewed literature on explainable AI (XAI) and trust to guide the design of experimental interfaces simulating these decision-making tasks.

Durham University | 2018-2021

Research Assistant

- Conducted exploratory reviews and archival research for ESRC-funded projects on women's suffrage.

Max Planck Institute for the Study of Societies | Jun 2019-Sep 2019

Intern

- Analyzed electoral turnout trends in OECD countries.

Work Experience

Influence at Work | May 2021-September 2022

Behavioural Science Consultant

- Conducted RCT evaluations using STATA and implemented surveys on Qualtrics.
- Developed and delivered behavioural science workshops and e-learning courses.
